Gawati API docs Documentation

Release 0

Ashok Hariharan

Nov 14, 2017

Setup and Deployment APIs

1 fabfile module 3

2 gawati module 5

3 Indices and tables 7

The API documentation for Gawati is aggregated on this site. This is different from the ‘Gawati Documentation <https://docs.gawati.org>, as this document is the API documentation of the code, largely auto-extracted from the source code.

The documentation is organized into sections based on the included modules:

- *Setup and Deployment APIs* - APIs related to setup and deployment

CHAPTER 1

fabfile module

CHAPTER 2

gawati module

CHAPTER 3

Indices and tables

- genindex
- modindex
- search
