
Formality-Core Documentation

Release 0.0.1

Croni

Jul 05, 2019

Contents

1	Welcome to Formality-Core’s documentation!	3
1.1	Test blabla	3
2	Pages	5
	Index	7

Some text explaining

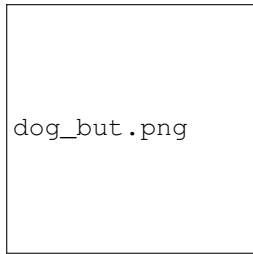

```
print "hello"
```

Welcome to Formality-Core's documentation!

Guide

1.1 Test blabla

Warning: Here be dragons! This topic covers a number of options that might alter your database.
Proceed with caution!

dog_but.png

Fig. 1: An overview of the admin control panel.

You can learn more about this in [RFC 1984](#). It is implemented in our code at `System.Security`

```
1 import antigravity
2
3 def main():
4     antigravity.fly()
```
