## 2.3 Resume Creation and Update Resume

### Questions in Resume Creation and Update Resume

- What is Role in the Project Section?
- What should be the Company Name for the non- commercial projects in the Projects section?
- Can I specify more then one level of education in the Education section?
- What is maximum limit of resume at BrightSpyre.com?
- What should be the title of my resume?
- How to “Delete Resume”?
- How do I Update/Edit my resume?
- Why the resume creation process is so lengthy?
- How do I create resume?

### 2.3.1 What is Role in the Project Section?

The Role field specifies the part you played in the team during the project. Basically you have to define what your major responsibility/designation during the project. For example, you can be a Quality Engineer, Project Manager, Developer, Accountant etc.

### 2.3.2 What should be the Company Name for the non-commercial projects in the Projects section?

You need not to specify the Company Name for non-commercial projects. For Example, if you are adding your Degree Project in the Project Section then you can specify Degree Project in the Company Name field.

### 2.3.3 Can I specify more then one level of education in the Education section?

You can specify all your degree levels in the Education section. Just describe one level of education at a time and click Update and Add more Education. The hierarchy of your educational level should be from top to bottom, i-e, highest level of Education should be specified first and then the rest.

### 2.3.4 What is maximum limit of resume at BrightSpyre.com?

Create Multiple resume in your BrightSpyre.com account, its allow you to create five resume . You can add your multiple skills to achieve your professional career.

### 2.3.5 What should be the title of my resume?

When you apply for a post then the first thing that appears at employer's end during short listing is the title of the resume. So, we suggest that the title of the resume should be according to the job description but on top of that it should reflect your qualification i.e. Project Manager Director, IT, Sr. Systems Analyst, IT Marketing.
