docker-master Documentation

Release 0.0.2

Matt Bodenhamer

February 01, 2017

Contents

1 Changelog **3**
- 1.1 0.0.2 (2016-08-02) . . . 3
- 1.2 0.0.1 (2016-07-29) . . . 3

2 Indices and tables **5**

An alternative to docker-compose.

Feature parity is not intended, but will rather focus on doing certain specific things well.

The current version is a hacked-together prototype with limited functionality and no documentation. Future releases will remedy this situation.

Contents:

CHAPTER 1

Changelog

1.1 0.0.2 (2016-08-02)

- Fixed bug with command line arguments
- Added validate command

1.2 0.0.1 (2016-07-29)
