CHAPTER 1

Introduction

Hwtracker

Better than email or gmail. The Hwtracker is made as a tool to support students organisational skills. This will allow students take more responsibility to their homework.

Servicetracker

The International Baccalaureate® (IB) Middle Years Programme (MYP) requires students service. The Service tracker is a simple tool which tracks and records student services. This module can be added to Hwtracker.

Servicetracker workflow

1. A student writes a blog post about her/his service project.
2. The student enters her/his service project to the Servicetracker.
3. The Servicetracker email to a service supervisor in case of school staff memeber and email to a service admin in case of non-staff member.
4. The service supervisor approve or correct the student's service project.
5. At the end of each semester, the student write a reflection.
6. At the end of the year, the student print out their service page from the Servicetracker to submit to the service admin.

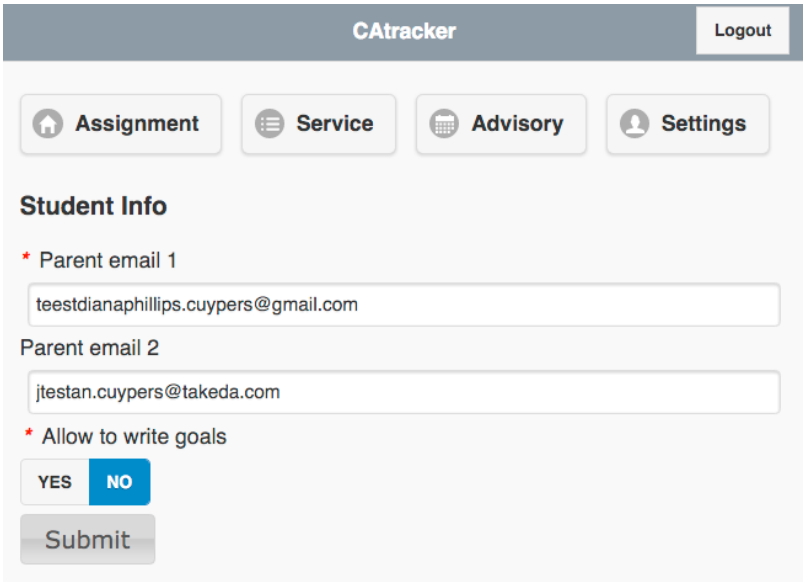
Allow to write goals

Admin will allow all students to write Service goals. But this allows Advisor to control by individual student when you have a new student. Only advisors and admin can update parent emails to avoid bogus emails.



Add Service Opportunities

Service Learning Outcomes

This explains MYP and CA service learning outcomes.

Service Records

You can view student's Service outcomes in a bar graph, Service Goal and Reflection.

Filterable Service Opportunities

Service Goal

Setting goals is easy but achieving them isn't. That's why setting SMART goals - Specific, Measurable, Achievable, Realistic and Timely - is the first step in making your goal a reality

My goal here by john. and updated.

MS Service Journal Final Reflection

To be considered for a Service Award, you need to complete 30 points or more of service, fill in this reflection paper and submit it to your advisor by Monday, June 22, 2017.

Fill up the following reflection and print this document.

1. How successful were you in achieving your goal(s)?
2. What do these experiences mean to you?
