Meteorological data

1	Metar	3
2	Radar	5
3	WRF study notes	7

This is Jia's home page and will show you what Jia have learned. More importantly, it can help to sort out the my personal documentation.

At present, I mainly focuses on the following aspects: Meteorological data, Meteorological model, Data assimilation, FSO, Linux operation skills, and Useful tools.

CHAPTER 1

Metar

xml littler

CHAPTER 2

Radar

CHAPTER 3

WRF study notes
