2 Indices and tables 5

Warning: The contents of this compendium are provided as educational and reference material for those interested in **legal** hacking. They are not intended to promote nor encourage illegal activities. The creators of this guide are not responsible for the actions of its readers.

Note: This guide is kept as up-to-date as possible. However, with the rate of change and progress in the InfoSec community, tools and command syntax sometimes change. We try to stay on top of things, but when we falter, your Google-fu will save the day.

CHAPTER 1
