Outline: Work in progress

This project is a work in progress to document my lessons learned and advice on running Telegram communities. Here is how I want to split this up:

- **About**
    - What is this
    - Who is it for
    - How to contribute
- **Telegram groups**
    - Making an appealing group
    - Moderation tools / bots
    - Organization over time
- **Community management practices**
    - Advice for running small, medium, and large groups

Possibly more!

1.1 About this project

This page is a placeholder. You could explain something about your project here. You can use your imagination for what you might like to add...
